

Welcome to Villa Pantai

Thank you for your enquiry regarding the luxurious beachside retreat Villa Pantai.

Located on the water's edge of beautiful Tamarind Bay in Nusa Lembongan, Villa Pantai is arguably one of the most relaxing and opulent villas available in the area.

The Villa offers accommodation for up to 18 people in 7 deluxe state rooms, including a six person double bunk room with private ensuite.

Villa Pantai is only available as an entire rental and is not accessible to families or groups who are unknown to each other. You are able to enjoy the Villa with your family and friends in complete privacy.

The minimum rental period is 3 days. The minimum nightly rate is AU\$1000, for up to 6 guests, plus the mandatory 10% government tax and 7% room service fee for the staff. Babies and children under 2 years of age stay for free. Additional adults and teenagers can stay at the rate of AU\$150 per person per night, plus charges. The rate for children from 2 years to 12 years old is reduced to AU\$100 per child per night, plus charges. A special discount of 20% off the room rate applies for bookings in November, December, January and February.

A full breakfast is included in the price. Additional food and beverages are available at extremely good rates. You will love Komang's cooking. Villa Pantai boasts the best water supply on the island with desalinated water additionally filtered and sterilised several times with Ultra Violet light. All water at the Villa is safe to drink.

We can arrange pick up from the airport or your hotel as well as private charters that will take you from Sanur to Villa Pantai's front door. This is recommended and better value than the regular fast ferries for groups of 6 or more.

The Villa has 7 trained staff to ensure your holiday at Villa Pantai will be your most memorable ever. We ask for a deposit of 20% to confirm and hold your booking. The balance is due 30 days prior to occupancy. We happily cater for large groups up to 18 people and a nanny service is available upon request.
